MigrainePal was founded in 2013 by Carl Cincinnato. Carl previously worked at several Fortune 500 companies whilst battling chronic migraine. His condition gradually worsened until he could experience 6 separate attacks per week.

After 25 years of failed treatments, therapies and thousands of dollars, Carl decided to replace his medical team and get the facts. He also began to share his experience with others as his condition progressed.

MigrainePal is a now community of thousand's of migraine patients who are going through a similar journey. Today, Carl's migraine frequency is down from 6 a week to 1 every few months.

The mission is ambitious but clear - to prevent 1 million migraine attacks. To find out more visit migrainepal.com/about
